

By car from the south

1. Leave the M1 at junction 13 and take the A421 towards Bedford and Cambridge.
2. Go through Bedford town centre following the A6 towards Rushden and Kettering.
3. As the dual carriageway section of the A6 ends (mind the speed camera) you will approach the village of Milton Ernest, turn right for Twinwoods Business Park, Thurleigh.
4. Follow the road for a 1/4 of a mile until you see Twinwoods Business Park on the right.
5. Proceed to gate B, the security officer will ask you for ID and then direct you; first left and then straight ahead to our facility, please use the bell for attention on the pedestrian door.

By car from the north

1. Leave the M1 at junction 19 and join the A14 eastbound towards Kettering.
2. Stay on the A14 for approx. 24 miles and exit at J10 signposted A6 to Rushden and Bedford.
3. Travel south on the A6 for approx. 16 miles until you get to a roundabout at Sharnbrook.
4. Turn left, signposted 'Bedford Technology Park' and continue for 1 mile until you see the "watertower" on the left.
5. The entrance to Twinwoods Business Park is 100 yards on your left.
6. Enter gate B, the security officer will ask you for ID and then direct you; first left and then straight ahead to our facility, please use the bell for attention on the pedestrian door.

By train from London

24 hours notice.

Making storage easy

There are a few essential things we would like to bring to your attention that will make using our storage facility at Twinwoods Business Park easy and safe for you. They cover the procedures you must follow on your visits and some valuable information on health and safety.

Procedures to be followed whilst onsite

- Please ensure you have signed the visitors book indicating the time of arrival.
- A high visibility vest must be worn at all times.
- Ensure all loading and unloading is completed within the designated area.
- If you wish to make use of the facilities please take the appropriate route – as indicated.
- Upon leaving please inform a member of staff so your unit can be re-sealed.
- Please sign out in the visitors book indicating departure time.
- Please hand back the high visibility vest if collected on arrival. Failure to do so may result in a charge being added to your account.

Using your storage unit

As you know the smaller units (10 or 35 sq ft) are used for deeper, longer-term storage and therefore access is limited. These units, kept at Twinwoods Business Park can only be accessed during opening hours (8.30am to 5.00pm, Monday to Friday excluding bank holidays) and we require at least 24 hours notice so that we can bring your unit out of stacked storage. If you have a Declared Value Premium in place, you should make a note of the items you are taking, replacing or adding, and adjust your inventory accordingly.

If you take away all of your property before the end of your storage period please let a member of staff know while you are on site so that we can change the unit padlock and prepare your final invoice. This may be adjusted in your favour depending on your collection date in relation to your contract period. Please note you will be charged for your occupancy until you inform us that your unit is vacated.

Health and safety at our storage facility

A storage facility is classed as an industrial site and health and safety regulations apply accordingly. Storing.com sites and facilities comply with the Health and Safety Executive regulations. For your safety, site staff may ask you to wear a high visibility jacket for the duration of your visit.

These jackets are bright yellow with reflective strips over the body and will make you visible to drivers, site staff and other personnel on site. Not wearing your jacket on site, if requested by storing.com personnel to do so, could make any third party liability insurance null and void so please wear the jacket at all times.

Maximum protection for your valuables

With initial personal photo identity entry, on-site security personnel and all the very latest security technology, you can rest assured that your property and valuables are in the safest place they can be.

Our sophisticated Red Care alarm system, recommended by our insurers, is combined with 24 hour motion activated Closed Circuit TV (inside and outside) to deter intruders. Security guards are also on site day and night, 365 days per year.

If you require any further guidance or advice please call 01234 782822 (during opening hours which are 8.30am to 5.00pm, Monday to Friday excluding bank holidays) or ask a member of staff when on site.
